5. Contact Information

MediCover Policy Handbook

SECTION 1: INTRODUCTION

This policy handbook describes the terms and conditions of your MediCover health insurance plan. Please read it carefully.

Coverage is subject to policy limits and exclusions listed in Section 4.
This policy is governed by the laws of the State of New York.

MediCover Policy Handbook

SECTION 2: COVERED BENEFITS

2.1 Hospitalisation
The policy covers in-patient hospitalisation expenses including:
- Room rent up to $500 per day
- Surgeon fees up to $10,000 per procedure
- Anaesthesia charges
- ICU charges up to $1,500 per day
- Operation theatre charges

2.2 Day Care Procedures
Procedures not requiring 24-hour admission are covered if listed in the approved day-care procedure list.

2.3 Diagnostic Tests
Laboratory tests and imaging (X-ray, MRI, CT scan) are covered when ordered by a licensed physician in connection with a covered condition.

2.4 Emergency Care
Emergency room visits are covered when the condition requires immediate medical attention. Non-emergency use of ER is not covered.

2.5 Maternity (Optional Rider)
Maternity benefits are available only if the optional maternity rider has been added to the policy and a 9-month waiting period has elapsed.

MediCover Policy Handbook

SECTION 3: CLAIM SUBMISSION PROCESS

3.1 Filing a Claim
Claims must be filed within 90 days of the date of service.
Submit the completed claim form along with:
- Original itemised bill from the medical provider
- Diagnosis report or discharge summary
- Doctor's prescription and referral (if applicable)

3.2 Claim Review Timeline
Standard claims are processed within 7 business days.
Complex claims requiring additional review may take up to 21 business days.

3.3 Direct Billing
For network hospitals, direct billing is available. The insured is responsible only for the deductible and co-pay amounts.

MediCover Policy Handbook

SECTION 4: GENERAL EXCLUSIONS

The following conditions and treatments are NOT covered under this policy:

1. Pre-existing conditions diagnosed or treated within 48 months before the policy start date
2. Cosmetic surgery, plastic surgery, or aesthetic procedures unless required due to accident
3. HIV/AIDS and related opportunistic infections
4. Self-inflicted injuries or attempted suicide
5. Alcoholism and substance abuse treatment
6. Dental treatment and orthodontic procedures unless resulting from an accident causing bodily injury
7. Pregnancy and childbirth (unless optional maternity rider is active)
8. Infertility treatment and assisted reproduction
9. Experimental treatments and clinical trials not approved by FDA
10. War injuries, terrorism-related injuries, or civil unrest
11. Aviation accidents (other than as a fare-paying passenger)
12. Nuclear hazard or radioactive contamination
13. Obesity treatment including bariatric surgery
14. Sleep disorders and related treatments
15. Congenital diseases or birth defects

IMPORTANT: This exclusions list is not exhaustive. The policy terms and conditions document governs in case of dispute.
